

ÀURIA 2025

White Wine—DO Empordà

BLEND

100% Muscat blanc à Petits Grains

NAME

The golden proportion, also known as the divine proportion, is frequently found in nature and is associated with the perception of harmony and perfection.

WINE-MAKING

The grapes were picked by hand when they reached optimum ripeness. Later, they were destemmed and taken to the pneumatic press without maceration. The must, following a very gentle first pressing, was separated from the rest and taken to the fermentation tanks where it was fermented for 30 days at a controlled temperature of 15°.

Prior to bottling, the wine was clarified and cold stabilized at a temperature of -3°.

TASTING NOTE

Bright straw colour. Intense aroma, very floral, aromatic herbs, fresh fruit and tropical notes. The palate is sweet, fresh, fruity, persistent and very balanced.
