

SINGULARS Garnatxa Roja 2025

Rosé wine – DO Empordà

VARIETIES

100% Rosé Grenache from old vines planted in slate soils.

THE NAME

The name aims to express what these Mas Lluens wines are looking to achieve: a range of singular wines, that are unique each year round; always coming from local varieties and very old vines, produced in very small quantities.

The desing of the label transmits the idea of the singularity of each of the stones of which the wall is comprised.

ELABORATION

The grape was carefully hand selected during the harvest to achieve an optimal degree of maturity.

The grape juice was macerated with grape skins for three hours before the fermentation. The wine fermented in a stainless-steel tank and aged 5 months in concrete eggs with its own lees. It was filtered and stabilized at -3º before being bottled.

TASTING NOTES

Shiny gold in color in with light grey reflections. Sweet aromas of very mature fruit, quince, aniseed and fennel, followed by fresh citrus aromas with light mint notes. On the palate it has a well balance with sweetness and acidity and it's fresh and large.
