

## ENCÍS DE LLUNA Brut 2022

---

Handcrafted sparkling wine made with grapes from vineyards of Mas Llunes from Fontanilles spot within the Natural Park of Albera, planted in slate soils and worked following the rules of organic viticulture.

### BLEND

White Grenache (50%), Macabeu (50%)

### WINE-MAKING

Traditional winemaking method.

The grapes were carefully hand-selected, with each variety harvested separately at its optimal point of ripeness. The must fermented at a low temperature to preserve the wine's freshest aromas. Once fermentation was complete, the blend was assembled in preparation for bottling. Following the second fermentation in the bottle, the wine aged for 36 months before disgorgement in May 2026.

### TASTING NOTE

Bright straw color. Aroma of white fruits, citrus and hints of pastries and yeasts. The palate is silky, with an unctuous texture, elegant, fresh and very well balanced.

### AWARDS

2021 - Girona Excel·lent, agri-food quality seal 2025–2026

### PRODUCTION

1487 bottles

### AGEING

36 months

### ALCOHOL

12% Vol.
